16<sup>th</sup> March 2020

Dear Parents/Carers

I am writing with an update about the schools response to the Coronavirus outbreak.

Current advice is that schools remain open so we are continuing with our normal provision. We are following all current government guidance and updating our procedures in line with any developments.

The latest advice can be found at <https://www.nhs.uk/conditions/coronavirus-covid-19/>

We will postpone the Easter Bingo and hold a summer event instead. There is no indication as yet about summer exams for our year 11s.

Please can you encourage them to continue working. In the event of changes to the exam timetable and exams being rearranged the last date this can take place is 26th June 2020.

We delivered two assemblies this morning with the students to give them information around the virus and also reassure them. We are encouraging them to maintain good hygiene and staff are prompting them with regular handwashing. These can be found be found on our website.

Please can you make sure the office have up to date contact information. We are getting regular bulletins from Liverpool LA and the Department of Education and will follow their guidance. We thank you for your continued support.

Ms J Gelling  
Headteacher
