

My New School—Bank View Speke

Soon I will start a new school.
My new school is called Bank View

This is the Gym. I will go there to do lots of fun Activities.

When it is playtime I will go outside and play. I will have fun. I will play with my friends. Staff will be on the yard to help if needed.

I will be in a new class. I will move around school to different classes and have different teacher for lessons. Here are some of the classrooms.

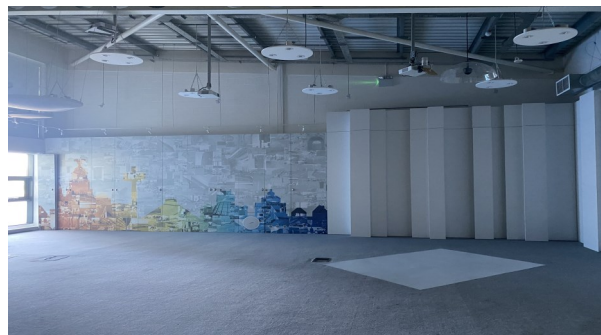

I will get a new school uniform.

My uniform will be a white polo shirt, Black pants or Navy skirt, a Navy jumper or cardigan and black shoes. We also have PE hoodies, joggers and School fleeces.

When it is time for lunch the bell will sound.

I will eat my lunch in the dining room. I can have hot dinner or packed lunch. Sometimes my class and I will go to the dinning room for assembly or to use the sensory circuit.

This is the sensory room. This is a place I can go to relax.

At the end of the day, my bus will be called and staff will accompany to get on the bus. I will see my teachers and friends the next day.
