

Bank View School Development Plan 2017/8

Priority Area One

To maintain a high quality of teaching and learning and ensure pupils can access personalised path ways in line with the vision for the school

Success Criteria

Outstanding outcomes for all pupils in terms of progress.

Impact

Pupils are exceptionally well prepared for the next stage of their education, training or employment and have attained relevant qualifications. Compared with the national average for all pupils, higher proportions of pupils including disadvantaged pupils and other salient groups, progress on to a range of further education establishments, apprenticeships, employment or training.

Priority Area Two

To embed our new assessment system in school, using it to assess pupils and set targets that provide appropriate challenge for all students against national standards.

Success Criteria

A robust assessment system that allows you to monitor and track pupil progress, providing school with information to judge progress within subjects and across salient groups. External standardisation and moderation taking place across a number of schools.

Impact

Accurate and robust data that inform school improvements and allows school to show progress against national standards.

Priority Area Three

To maximise enrichment and other opportunities for all pupils to participate in to increase confidence, self-esteem and well-being

Criteria

Confident, self-assured learners. Pupils are proud of their achievements and of their school. Pupils value their education and attend school.

Impact

The excellent attitudes of learners have positive impact on progress. Pupils love the challenge of learning and are resilient. Excellent attendance figures. Compared to like schools nationally and locally.
