

Dear Parents/Carers,

All our students have an education, health and care plan and as such are identified as being 'vulnerable' by the government. The government are saying that they wish 'vulnerable' students to continue to attend school.

However, due to staffing issues school is unable to open to all students at this time.

Tomorrow, we will be open to the children of critical workers and a small additional group of students. We will also continue to plan how the school will operate between now and February half term. Once we have finalised this I will send a more detailed communication about what the model will look like moving forward.

Thank you for your patience and understanding at this difficult time.

Juliette
