15th January 2020

Dear Parent/Carers and pupils accessing home learning

We have set up a meet link in each class on Google classroom. This will allow pupils from home to join in the form session each Monday morning 9:15 - 9:45.

For year 7-11 and Base 3 the link will be in the PSHE classroom, for 6th form the link will be in the ASDAN employability classroom.

Just simply click on the link and it will connect you to the class. You must be on Google chrome browser and on a device with a camera.

Take care, stay safe and we look forward to seeing you virtually on Monday.

M. Armstrong
