

We would like to remind you about our online resource: Lexia Core 5. Students should aim to login for two 45 minute sessions a week to make progress. Lexia Core 5 Reading is a computer based programme which our school is using with your child as part of our literacy curriculum. The activities in Core5 focus on developing reading skills in six areas: phonological awareness, phonics, structural analysis, fluency, vocabulary and comprehension.

This programme allows your child to work independently, and at their own pace.

Getting started is easy!

1. To use on a computer go to: www.lexiacore5.com
2. To use on an iPad, download the free Lexia Core5 Reading UK app from the app store.
3. The first time they use the app you will need to enter the teacher email below:

Please note that Lexia Core 5 cannot be used on a mobile phone,

Teacher email: lexiahome@bankview.liverpool.sch.uk

Username: last name. initial

Password: first name

For example:

Username: kelly.s

Password: sharon

4. It is important that your child works on their own, without help while using Core
5. All of the work your child does at home is recorded and reported in school. This way, teachers can see when help is needed and provide additional instruction at school.
5. If you have a question about your child's username or pass work please contact their English teacher.

Thank you for helping your child practice reading.
