Graphics	Enrichment (Wednesday afternoon)									
<p>Students are studying the art style WPAP (Wedhas pop art portrait) student's will be exploring this art style beginning with creating a mood board and an artist research page to gain and understanding of how this is created.</p> <p>The students will then begin creating their own WPAP's from portraits taken on the iPad, I will introduce the pro create app which will be used to begin their digital artwork.</p> 	<p>Year 7, 8 and 9 are part of the enrichment carousel. This is an opportunity to enhance the experiences of our students and building their capacity as learners. They complete an 8 week programme over the year in the following areas:</p> <table border="1" data-bbox="571 1146 1503 1294"> <tbody> <tr> <td>Outdoor education</td> <td>Military school</td> <td>Swimming</td> <td>Food</td> </tr> <tr> <td>Design</td> <td>Climbing</td> <td>Boxing</td> <td>Health and hygiene</td> </tr> </tbody> </table> <p>The Expressive Arts group also runs at this time – they are currently working towards our summer show.</p>		Outdoor education	Military school	Swimming	Food	Design	Climbing	Boxing	Health and hygiene
Outdoor education	Military school	Swimming	Food							
Design	Climbing	Boxing	Health and hygiene							

You can help your child by:

Watching YouTube videos on pro create tutorials to gain knowledge on the software before we begin using it.
You can download free drawing apps such as '**sketchpad**' to practice this art style.

There is more subject information on the curriculum tab on the school website.

<https://bvhs.co.uk>

You will be able to see examples of your child's work for term on Seesaw.
