

Bank View School – Summer 2023

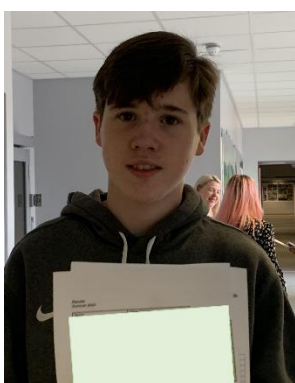

On Thursday 24th August many of our year 11 students came into school to collect their GCSE and entry level results. We have had another very successful year and we are extremely proud of our student's results and the efforts they put in and the barriers they overcame to achieve a broad range of qualifications.

This year we had 41 students completing year 11.

30 were in the main provision of the school following a secondary curriculum with subject specialist teachers. 8 students were in our base provision which caters for our most complex students. 3 attended Alternative Provision.

Main Secondary Provision

GCSEs

7 students achieved a GCSE grade in 5 or more subjects including English and Maths.

English and Maths

All students accessing the main secondary provision achieved an English and maths qualification at entry level.

10 students sat and achieved a GCSE grade in English language.

All students achieved an entry level.
