<p>GCSE Food Preparation & Nutrition Pupils will continue to work on the Food Preparation Assessment Written Assessment to be completed by the end of March. This Assessment is important as it contributes 30% of the final marks towards the GCSE Qualification. The pupils will prepare, cook and present a menu which assesses the learner's knowledge, skills and understanding in relation to the planning, preparation, cooking and presentation of food. The intent of this unit is for the students to produce a written assessment & gain the confidence to successfully continue with the GCSE course. Please find below the link to the GCSE Specification for this course: GCSE Specification Template (eduqas.co.uk)</p>	<p>Students will be studying units based on the following areas:</p> <ul style="list-style-type: none"> • Health and Safety • Designing a Product • Planning for Manufacture • Manufacturing a Product. <p>This is a WJEC entry level course.</p>	<p>Students will be learning about stop motion and how this is created. The students will create their own stories and characters from play dough and use the app 'Stop Motion' to create their own short film.</p>
