Science	Computing	Technology - Food
<p>Our year 7 classes will be moving on to look at chemical reactions. This will be their first encounter in secondary with the PH scale and the various processes associated. We will also be investigating the reactions of metals with waters, acids and air.</p>	<p>We will be learning about data representation and programming a range of inputs and outputs with Microbits. We will further develop these skills as we work through using block- based coding to complete level 1 of Minecraft Education.</p>	<p>The intent of this unit is to take a closer look at the Eatwell plate & it's sections This unit will allow pupils to gain more confidence using the Equipment in the Food Technology room & allow them to become more independent & confident cooks. The unit will allow pupils to have a better understanding of the Nutritional content of the food, seasonality of food & recycling food waste to help the environment. The unit explores the different sections of the Eatwell plate & allows pupils to prepare dishes with ingredients from each of the sections.</p>

How do they help people? Watch this clip portraying someone's journey to becoming a police officer: How to become a police constable - BBC Bitesize</p>

Music	Enrichment (Wednesday afternoon)			
<p>Exploring keyboard and guitar techniques. Learning about Skiffle, Mersey Beat and The Beatles. Playing together as a class band in lesson time.</p>	<p>Year 7, 8 and 9 are part of the enrichment carousel. This is an opportunity to enhance the experiences of our students and building their capacity as learners. They complete an 8 week programme over the year in the following areas:</p>			
	Outdoor education	Military school	Swimming	Food
<p><i>You can help your child by:</i> <i>Listening and researching information related to The Beatles and playing the beat to any music you are listening to.</i></p>	Design	Climbing	Boxing	Health and hygiene
<p>The Expressive Arts group also runs at this time – they are currently working towards our summer show.</p>				
<p>There is more subject information on the curriculum tab on the school website. https://bvhs.co.uk You will be able to see examples of your child’s work for term on Seesaw.</p>
