	<p><i>You can help your child by:</i> Ask them to tell you the stories that they are reading. Ask your child to share key vocabulary that they have studied. What is the effect of this vocabulary? For Literacy: Students can log in to their Lexia account. Login sheets will be sent home termly but you can always request your child's English login sheet.</p>	<p><i>You can help your child by:</i> Complete Maths Tutor is an online programme that will assess and set work for your child at an appropriate level. It has videos and activities to support their learning and this can then be transferred into their in-school learning and maths development. Authentication (completemaths.com) Your child's log in and user name is in their planner</p>
Science	Computing	Technology- Food
