<i>You can help your child by:</i>	<i>You can help your child by</i>	<i>You can help your child by</i>																		
Encourage your child to play as much sport as possible to enhance skills learnt in school. Watch and research games and rules on TV and YouTube.	Watch the culturally relevant show Heartstoppers with your young person. Talk about the issues discussed.	If you have access to Microsoft Word, you can support your child by encouraging them to practice their skills and explore the different templates available within the software. Your child can also access the online version of Microsoft Word using their school email account.
