Policy Aim

The purpose of this policy and the accompanying procedures is to outline Bank View School's commitment to fair, safe, and effective recruitment and selection practices for new and existing staff.

Bank View School is an equal opportunities employer. We do not unlawfully discriminate and are committed to selecting the most suitable candidate for each role based on qualifications, experience, and ability.

We are committed to safer recruitment practices that:

- deter prospective applicants who are unsuitable to work with children or young people
- identify and reject applicants who are unsuitable to work with children or young people
- prevent and deter inappropriate behaviours by providing on-going supervision, training and support to all staff and volunteers

Appendix A sets out our full Recruitment and Selection Procedures.

Guiding Principles

- All recruitment and selection procedures must comply with all current legislation and specifically the guidance set out in Part 3 of [Keeping Children Safe in Education](#) (DfE 2026)
- A job description and person specification must accompany each vacancy
- All members of the recruitment panel should be familiar with this policy and the accompanying selection and recruitment procedures
- At least one panel member must have completed full Safer Recruitment training in accordance with the Safer Recruitment Consortium and KCSIE 2026. Their name should be recorded on the successful candidate's personnel file. Training should be refreshed regularly and following any significant statutory updates.
- The school's safer recruitment procedures include the following safeguards (see Appendix A for full details):

 - Online checks will be undertaken on all shortlisted candidates prior to interview
 - References will be obtained and reviewed before interviews take place
 - Open references will not be accepted and must be confirmed directly with the referee
 - All references must contain a statement on the candidate's suitability to work with children.

- Equality monitoring data will be collected to support equal opportunities analysis. Monitoring information will not be shared with recruitment panels
- All suitably qualified disabled applicants who meet the essential criteria for a role will be invited for interview where reasonably practical. Interview arrangements will be adjusted to accommodate access needs
- All applicants must be assessed fairly and consistently against the person specification criteria. Panels must base decisions on objective evidence
- Interview questions must relate to the role's requirements and must not be discriminatory, offensive or exclusionary
- Safer Recruitment training includes further guidance on questioning to assess a candidate's suitability to work with children, based on their application form and personal statement
- The Equality Act 2010 (Section 60) prohibits employers from asking about a candidate's health or sickness record prior to offering a job. Interviewers must not ask such questions unless necessary to facilitate the interview process
- After interviews, panel members must record evidence showing how each candidate met the selection criteria. This supports fair decisions and enables constructive feedback
- The panel must reach a decision through objective, evidence-based analysis using the school's agreed scoring system
- Verbal summary feedback should be offered to all unsuccessful shortlisted candidates
- All job offers are conditional on:
 - A completed and signed application form
 - Satisfactory employment references
 - Evidence of the right to work in the UK
 - Medical clearance

- Verbal and written job offers must clearly state that they are conditional upon all checks being completed. Candidates should be advised not to resign from current employment until written confirmation is issued
- A record of all pre-employment checks will be recorded on the Single Central Record and relevant evidence stored in the personnel file, in accordance with GDPR and safeguarding requirements
- The Principal will quality assure the safer recruitment process after each round of appointments. This includes reviewing the Single Central Record and relevant personnel files
- All new staff will receive a mandatory safeguarding induction, as set out in KCSIE 2026, and this will be recorded in their personnel file
- Complaints regarding the recruitment process will be handled via the Grievance Policy (for internal applicants) or the Complaints Policy (for external applicants).
- When providing a reference for a current or former employee:

- We will state whether the individual is considered suitable to work with children
 - We will disclose only substantiated safeguarding allegations that meet the harm threshold
 - We will not disclose unsubstantiated, unfounded, false, or malicious allegations
 - References will be factual and provided in a timely manner.
- If a criminal conviction is disclosed or appears on an Enhanced DBS certificate, the school will complete a Criminal Offences Risk Assessment to assess suitability. This assessment will be retained on the individual's personnel file (or with recruitment documentation if the offer is withdrawn).

Safer Recruitment Training

All Senior Leaders and Governors have undertaken Safer Recruitment Training in accordance with guidance from the Safer Recruitment Consortium and KCSIE 2026.

17. The appointments panel should select the successful candidate using the agreed scoring system. All unsuccessful interviewed candidates should receive short summative verbal feedback agreed by the panel.

They should be advised they will receive a conditional offer letter and that they shouldn't resign until they receive their confirmation letter with their start date, contract and particulars.	
19. The personnel file should evidence that all the required checks have been completed. As per Part 3 of KCSIE, copies of documents used to verify the successful candidate's identity, right to work and required qualifications should be kept on their personnel file. A recruitment checklist for the personnel file should be signed off before their start date. The confirmation letter with start date can be sent once all checks are completed. Keeping Children Safe in Education sets out the following pre-employment checks which must be carried out by schools: Verify a candidate's identity. This includes being aware of the potential for individuals changing their name. Best practice is checking the name on their birth certificate, where this is available. Identification checking guidelines can be found on the GOV.UK website; Obtain (via the applicant) an enhanced DBS certificate (including barred list information, for those who will be engaging in regulated activity). KCSIE gives further guidance when using the DBS update service as the original certificate will need to be obtained by school; Obtain a separate barred list check if an individual will start work in regulated activity before the DBS certificate is available. Part 3 of KCSIE sets out how to obtain a separate barred list check. Separate barred lists checks do not apply to 16-19 Academies, Special Post-16 institutions and Independent Training Providers; Verify the candidate's mental and physical fitness to carry out their work responsibilities. A job applicant can be asked relevant questions about disability and health in order to establish whether they have the physical and mental capacity for the specific role; Conduct checks on every person's right to work in the UK, including EU nationals, other overseas nationals and British citizens. Employers should not discriminate when conducting these right to work checks. If there is uncertainty about whether an individual needs permission to work in the UK, then prospective employers should follow advice on the GOV.UK website; If the person has lived or worked outside the UK, make any further checks the school or college consider appropriate (see Part 3 of KCSIE). <i>"Individuals who have lived or worked outside the UK must undergo the same checks as all other staff in addition, schools and colleges must make any further</i>	

Recruitment Procedures	Date
<i>checks they think appropriate so that any relevant events that occurred outside the UK can be considered"</i> Where the individual has taught outside of the UK, confirm that there are no sanctions against them by obtaining a letter (via the applicant) from the professional regulating authority in the country (or countries) in which the individual has worked confirming that they have not imposed any sanctions or restrictions, or that they are not aware of any reason why they may be unsuitable to teach. Advice regarding regulatory or professional bodies is available from the National Recognition Information Centre for the United Kingdom. Applicants can find contact details of regulatory bodies in the EU/EEA and Switzerland on the Regulated Professions database. Applicants can also contact the UK Centre for Professional Qualifications who will signpost them to the appropriate EEA regulatory body. Ensure all appropriate checks are made when recruiting people from outside the UK Verify professional qualifications, as appropriate. The Teaching Regulation Agency's Employer Access Service system should be used to verify the award of qualified teacher status (QTS), and the completion of teacher induction or probation; Confirm that the individual (if employed to carry out teaching work) is not prohibited from teaching by the Secretary of State or any sanction or restriction imposed (that remains current) by the GTCE before its abolition in March 2012; Independent schools, including academies and free schools, must check that a person taking up a management position as described in Part 3 of KCSIE is not subject to a Section 128 direction made by the Secretary of State. KCSIE describes that <i>"There is no exhaustive list of roles that might be regarded as 'management' for the purpose of determining what constitutes management in an independent school. The Department's view is that roles involving, or very likely to involve, management of a school include (but are not limited to) Principals, principals, deputy/assistant Principals, governors and trustees. It is important to note that the individual's job title is not the determining factor and whether other individuals such as teachers with additional responsibilities could be considered to be 'taking part in management' depends on the facts of the case."</i> Section 128 checks should be made on all governors in maintained schools as the DfE state <i>"A person subject to a section 128 direction is also disqualified from holding or continuing to hold office as a governor of a maintained school."</i> Part 3 of KCSIE set out how <i>"Schools and colleges can use the TRA's Employer Access service to make prohibition, direction, restriction and children's barred list checks. The service is free to use and is available via the TRA's web page. Users will require a DfE Sign-in account to log onto the service."</i> The Childcare Act 2006 sets out that where applicable, a disqualification check may be required to ensure the individual is not disqualified under the Childcare (Disqualification) Regulations 2018. Further information can be

20.	Should there be any criminal offences disclosed by the candidate, or on a DBS certificate, the school will complete the SIL "Criminal offences risk assessment template". This is regardless of the seriousness of the offence(s), conviction(s) or charge(s). All disclosures will be discussed with the candidate in a confidential meeting; either during their interview or in a separate suitability/risk assessment meeting. The school will complete SIL's Personnel File Checklist to ensure all documents and checks are evidenced within the file. In order to comply with the DBS Code of Practice copies of DBS certificates will not be retained except in exceptional circumstances. Where a copy is retained, school will note on the personnel file the rationale for keeping a copy and make arrangements to securely dispose of the certificate after 6 months.	
22	Appropriate induction activities should be provided for all new employees. All staff should read and understand key guidance including Keeping Children Safe in Education and Safer Working Practices guidance and the SIL Safeguarding Induction Booklet. Provision of these documents should sit alongside a full safeguarding induction provided by the Designated Safeguarding Lead. The safeguarding induction checklist should be completed and placed on their personnel file.
